

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Plans and Specifications and Advertisement for Bids for Well 4R Pump and Motor, 1215 Thurman Street

MEETING DATE: November 6, 1996

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council approve the plans and specifications for the above project and authorize advertising for bids.

BACKGROUND INFORMATION: This project includes all the necessary work to furnish and install a 150-horsepower, deep-well turbine pump and motor complete with water lube discharge head and motor stand, 190 linear feet of water lube 12-inch column, and strainer for Well 4R in the City of Lodi, all as shown on the plans and specifications for this project. This project is being coordinated with the water tank project so the entire water tank site will be completed before the summer of 1997.

FUNDING: The money for this project will be coming from the Water Capital Outlay Fund. Funds for the project have already been appropriated.

Project Estimate: \$36,500
Planned Bid Opening Date: November 20, 1996

Jack L. Ronsko
Public Works Director
